

Bio stretch of Dr LUK Shik, Kristine

MBBS, MRCP(UK), FRCPath(UK), FHKAM(Pathology)

Consultant Microbiologist, Princess Margaret Hospital

Infection Control Officer, Yan Chai Hospital & Caritas Medical Centre

Hospital coordinator, Quality & Safety, Princess Margaret Hospital

Dr Luk has been working as a clinical microbiologist for over 12 years. Her research interest is molecular epidemiology and the control of Multidrug resistant Organisms (MDRO) in healthcare settings. She has various publications in the areas of clinical microbiology and infection control. As the infection control officer of Yan Chai Hospital and Caritas Medical Centre; and the Quality & Safety coordinator of Princess Margaret Hospital, she has led the infection control teams to go through the hospital accreditation journey in the past years.
