

Linda Dickey, RN, MPH, CIC
Director for Epidemiology and Infection Prevention
University of California Irvine (UCI) Medical Center

Linda Dickey's responsibilities include providing both leadership and team member support throughout the organization on initiatives aimed at infection prevention. She has worked with the team of UCI Design and Construction, UCI Medical Center Planning and Facilities, and Hensel Phelps Construction, implementing a comprehensive infection control plan for the construction of a new seven-story, 474,353 sq. ft university hospital. She is a member of the Association for Professionals in Infection Control (APIC) and serves on the Facility Guidelines Institute 2014 Health Guidelines Revision Committee.
