

**Ms Isabella LEE**  
Ward Manager (CEU),  
Tuen Mun Hospital

Ms Isabella Lee is an experienced nurse manager in electro-medical diagnostic unit (EDU) and departments of medicine and geriatrics in Hospital Authority since 2008 and 2001, respectively. As the manager in the EDU, she has worked effectively to re-organise and expand the EDU and combined endoscopy centre, together with the surgical day unit, in Tuen Mun Hospital serving for the highly dense population in the NTWC. She is keen on the topics of endoscopy disinfection and sterilization and infections control concerning reprocessing endoscope and their related evidence. She has also been serving as the member of the Endoscopy Specialty Advisory Group in HAHO as well as the co-ordinator of the working group for Endoscopy specialty guidelines.
